This completed form must be submitted and approved by the CEA Show Recognition Committee at least 45 days prior to the first show date and must be accompanied by your show class list(s) and a \$20.00 show recognition fee for EACH show date listed above. One show may span multiple days in a row, for example a 2, 3 or 4-day show, but each "show" must pay one recognition fee.

Failure to submit all required documents and fees on or before the deadline will result in an automatic refusal from the Chinook Equine Association to recognize your show. If the above information is emailed, fees must be received by the CEA on or before the deadline.

Once approved, your class list becomes final. If classes are later added to your approved class list, the CEA will require an additional \$10.00 recognition fee per class added IF, and only if you or the exhibitors want the additional classes to count for CEA End-Of-Year points. This fee will be assessed upon the show but may be recovered from the exhibitor(s) requesting the additional classes. The additional class recognition fee(s) must be paid in full to the CEA and will be DUE within 2 weeks after the show, along with show results. Failure to submit show results along with any applicable additional class recognition fees within 2 weeks after the show will result in the organization hosting the show being placed "on probation" for the remainder of the current show year and will extend through the next show year. Being placed on probation means future shows hosted by your organization may not be able to receive CEA show recognition. See the CEA Rule Book for details.
